

Working Student (M/F) – Hedge Fund Investments

Together. Deeper Insights. Greater Rewards.

FERI Trust GmbH is one of the leading independent Asset Management and Advisory firms in German-speaking Europe. It is based in Bad Homburg, Germany and bundles its research activities in the areas of Hedge Funds, Private Equity and traditional Asset classes. FERI Trust manages EUR 34.0bn in total of which EUR 7bn are invested in Alternatives.

FERI's Hedge Fund Team invests in all available hedge fund strategies worldwide. We offer an interesting opportunity to get to know the global hedge fund industry and gain experience in the area of investment management.

Job description:

You support the hedge fund investment team in:

- Screening the hedge fund investment universe to maintain our proprietary hedge fund data base
- Monitoring and reporting the performance of our target funds
- Quantitative analysis of the investment opportunities
- Conduct market and industry analysis
- Preparing presentations and work on other projects

Your availability:

- We look for students (Werkstudent m/f) to start immediately and to work up to 20 hours per week (possible to work full time during the summer break)
- We are flexible to accommodate your study program and hope that you would stay with us at least for 12 months, but ideally longer

Qualifications:

- You have studied Business Administration / Economics / Commercial Information Technology (Betriebswirtschaftslehre, Volkswirtschaftslehre oder Wirtschaftsinformatik) at least one year successfully
- Ideally you have gained some prior experience with statistical econometrics software (R statistic tool) or VBA
- General understanding of quantitative methods of analysis would be an advantage
- You should be fluent in English, and fluency in German is a plus
- You are comfortable with MS Office and have strong MS Excel skills

Application:

If you feel you may be a suitable candidate for the a.m. position, please send your application and Curriculum Vitae with reference "Student Hedge Fund" to Mr. Marcus Storr: karriere@feri.de.
